## Summary:

Analytical Computer Science and Statistics graduate skilled in Python, SAS, and data analysis.

## Skills:

Python

SAS

Statistical Modeling

Data Analysis

## Experience

### Machine Learning Foundations

#### General Algorithms

Mentor — University of KwaZulu-Natal ■ 2022 – 2024 ■ Assisted first-year students

## Education

### Optimization

Batch Learning Science in Computer Science & Statistics ■ University of KwaZulu-Natal • Graduate

Excel

Algorithmic Thinking

Problem-Solving

Communication

Mentoring

Technical Writing

Team Collaboration
